

alpine SLATE COLLECTIONS

ES Inspirada en la belleza mineral de la pizarra, Alpine reinterpreta su esencia con una expresión más suave, cálida y contemporánea. Una superficie equilibrada, de textura sutil y acabado sedoso, diseñada para aportar luz y serenidad a la arquitectura.

EN Inspired by the mineral beauty of slate, Alpine reinterprets its essence with a softer, warmer and more contemporary expression. A balanced surface with subtle texture and a silky finish, designed to bring light and serenity to architecture.
