

The image is a top-down view of various interior design material samples arranged on a wooden surface. At the top, there are several vertical strips of material: four dark, charcoal-colored strips on the left, followed by a black strip, and then three light-colored wood-grain strips. In the bottom right corner, there is a stack of white, textured fabric samples. In the bottom left corner, there are two fanned-out color swatch books. The first book shows a gradient of blue and teal colors, while the second shows a gradient of green colors. In the bottom center, there is a stack of wood-grain samples, some of which have small white rectangular labels attached to them.
