

VISOFT VISION 3D

Versatile new sanitary configurator

ViSion^{3D}
powered by ViSoft

ViSoft ViSion 3D is either fully customized upon your requirements (corporate design, custom rooms and database with own order numbers, etc), or you rely on our standard rooms and vast database with all the latest series of all major manufacturers.

With its clear simplicity ViSoft ViSion 3D is suitable for both the end user and the sales consultant. Experience it yourself:

CONSULT IN A VISUAL WAY

It is important to give your clients a clear and accurate understanding of what they can expect. This is where ViSoft ViSion 3D comes in, offering a photorealistic tool to consult your clients.

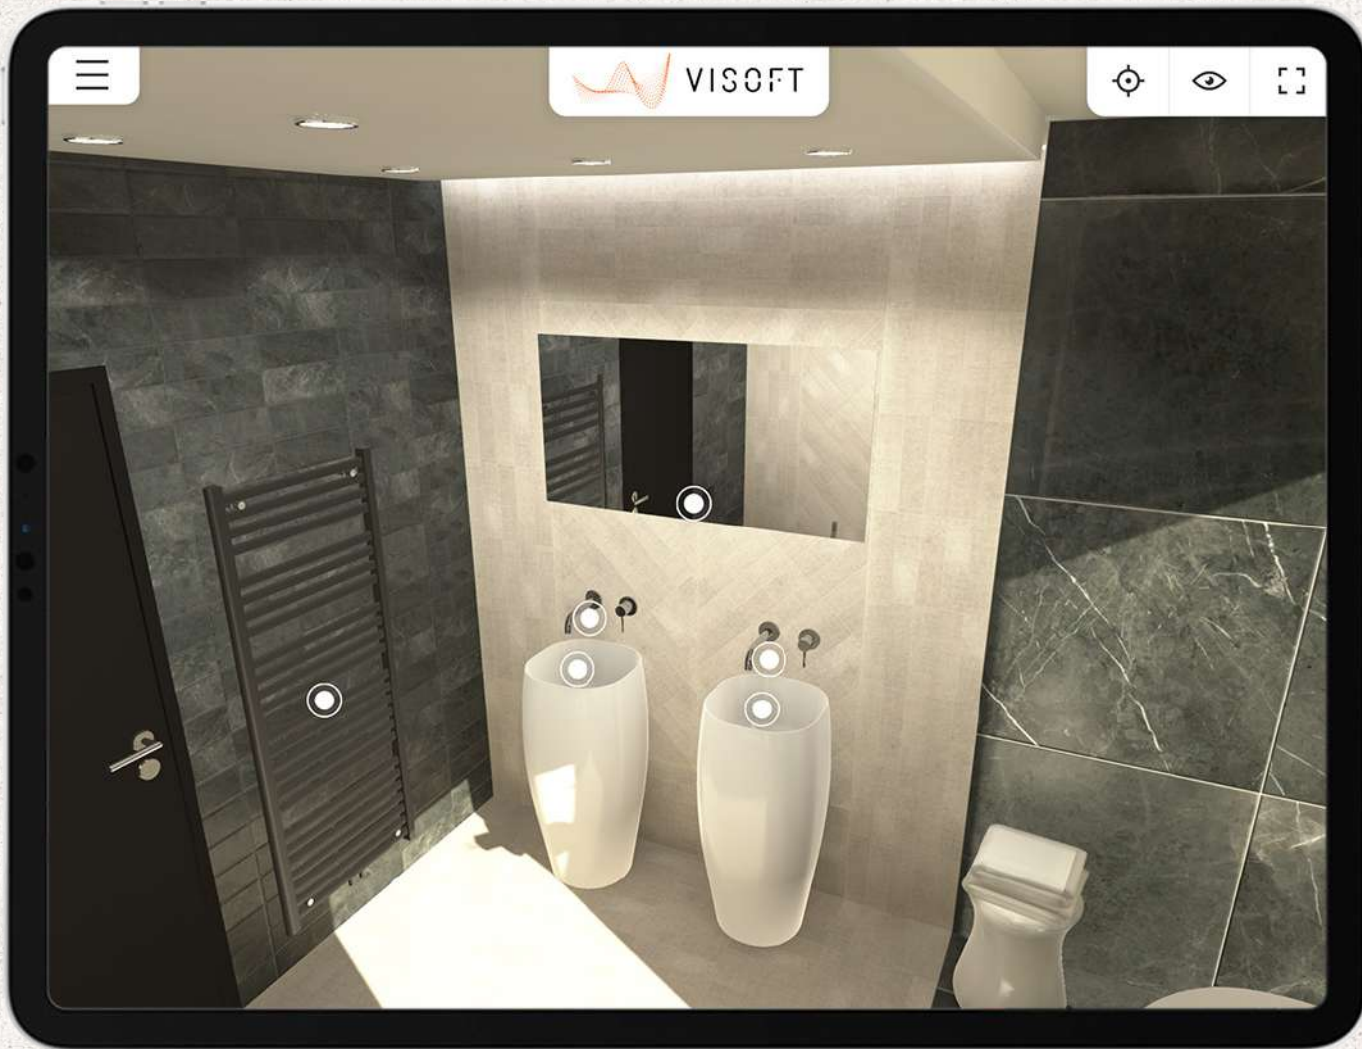

ONE OF THE BEST GRAPHICS ON THE MARKET

Whether you work with clients to design a luxurious master bathroom or a functional guest bath, the high-quality graphics will help you bring your vision to life. With ViSoft ViSion 3D, you will be able to create stunning, highly detailed representations of any sanitary configuration.

TAILORED TO YOUR NEEDS

One of the key benefits of using ViSoft ViSion 3D is its flexibility. You define the look of the configurator, the product database and the room configuration. From a small guest bathroom to a large master suite anything is possible.

AVAILABLE WHERE YOU NEED IT

- ✓ Online configurator on your website
- ✓ TV/POS/touchpad solution for the showroom
- ✓ For use by the sales consultant on a tablet
