Nova

Nova is a collection designed to bring colour, texture and rhythm to spaces through small-format tiles. The collection comprises two complementary porcelain tile formats: Nova 5x15 cm and Nova Slit 15x15 cm. Both ranges share the same colour palette and are available in gloss and matt finishes, allowing you to create coordinated designs with varying levels of texture, light and expressiveness.

Nova es una colección concebida para aportar color, textura y ritmo a los espacios a través del pequeño formato. La colección se desarrolla en dos formatos porcelánicos complementarios: Nova 5x15 cm y Nova Slit 15x15 cm. Ambas propuestas comparten la misma gama cromática y están disponibles en acabados brillo y mate, permitiendo crear composiciones coordinadas con diferentes niveles de textura, luz y expresividad.
