Destonified **V.3** / Destonificado **V.3**
Thickness / Espesor 7,7mm

Feel

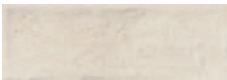

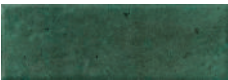

Feel is expanding its range with two new formats that bring fresh design possibilities to the collection. The 15x15 format features a textured finish that enhances its character and lends personality to the surface, whilst the new 5x15 format, with its rectangular proportions, allows for more dynamic and versatile designs.

Its glossy finish and pronounced colour variation imbue every surface with nuance, depth and personality.

Feel amplía su propuesta con dos nuevos formatos que aportan nuevas posibilidades compositivas a la colección. El formato 15x15 incorpora un relieve que refuerza su carácter y aporta personalidad a la superficie, mientras que el nuevo 5x15, de proporción rectangular, permite crear composiciones más dinámicas y versátiles.

Su acabado brillante y su marcada destonificación llenan cada superficie de matices, profundidad y personalidad.
