g r e e n v i s i o n

In Springwood convivono i segni del tempo e l'equilibrio di una natura in continuo mutamento.

Un mood senza stagioni né confini che sprigiona tutta la sua energia espressiva
nell'intensità cromatica, tra venature e nodi tipici del rovere.

Una serie ricca di personalità, proposta in quattro declinazioni di colore, capace di
interpretare stili diversi e di creare atmosfere rilassanti nella sua autentica essenza.

In Springwood, the signs of
time and the balance of an ever-
changing nature coexist.

A mood without seasons or boundaries
that unleashes all its expressive energy
in the chromatic intensity, between
veins and knots typical of oak.

A collection rich in personality,
offered in four color declinations,
capable of interpreting different styles
and creating relaxing atmospheres
in its authentic essence.

Springwood dont les signes du
temps et l'équilibre d'une nature en
constante évolution coexistent.

Une ambiance sans saisons ni
frontières qui émane toute son
énergie expressive dans l'intensité
chromatique, au milieu des veinures
et des nœuds typiques du chêne.

Une série riche en personnalité,
proposée en quatre déclinaisons de
couleurs, capable d'interpréter différents
styles et de créer des atmosphères
relaxantes dans sa véritable essence.

In Springwood koexistieren die Zeichen
der Zeit und das Gleichgewicht einer
sich ständig verändernden Natur.

Eine Stimmung ohne Jahreszeiten und
Grenzen, die ihre ganze Ausdruckskraft
in der chromatischen Intensität
zwischen den für die Eiche typischen
Maserungen und Ästen entfaltet.

Eine Serie mit viel Persönlichkeit, die in vier
Farbdeklinationen angeboten wird und in der
Lage ist, verschiedene Stile zu interpretieren
und entspannende Atmosphären in
ihrer wahren Essenz zu schaffen.

This image displays four vertical panels of wood grain, each showing a different texture and color. From left to right: the first panel is a light, pale wood with a subtle grain; the second is a medium-brown wood with a more pronounced, wavy grain; the third is a darker, richer brown wood with a straight, fine-grained texture; and the fourth is a very dark, almost black wood with a prominent, swirling grain pattern and some visible knots.

PESO, COLORI E MISURE SONO SOGGETTI ALLE INEVITABILI VARIAZIONI TIPICHE DEL PROCESSO DI COTTURA DELLA CERAMICA. I COLORI SI AVVICINANO IL PIÙ POSSIBILE A QUELLI REALI NEI LIMITI CONSENTITI DAI PROCESSI DI STAMPA.

Weight, colours and dimensions are subject to the inevitable variations typical of the ceramic firing process. The colours are as close as possible to the actual colours, within the limits allowed by the printing process.
